

Game Development and Simulation
Algebra Game

Total Initial Points: 100 pts.

Deductions from point total:

5 points	Each person beyond three in the group
20 points	Daily penalty for not meeting deadline
5-25 points	Less than five citations (5 per citation less than five)
5-25 points	Lack of distributed effort
5-25 points	Lack of mechanics displayed in the game
25-50 points	Incorrect algebra

Bonus Points

5-25 points	Original artwork
5-25 points	Original audio
5-25 points	Legitimate leveling

Some of these totals are subjective, some are objective in determination (welcome to the “real world”).
